The period before and after Christmas found the members of the East Asian Vicariate very busy with projects, ministries, and holiday celebrations. As soon as Advent began, we sponsored the 8th annual Puso sa Puso Christmas party for nearly one thousand needy children in Manila. The next week we welcomed two members of the Generalate, Fr. Milton and Fr. Augustin who were joining us for our Vicariate Chapter. Delegates gathered in New Manila to discuss a wide variety of issues facing our growing vicariate. During the chapter Fr. Milton bestowed the minor orders of lector and acolyte upon several of our clerics.

The holidays brought a welcome break from classes for our English students, philosophers, and theologians along with the five clerics involved in the newest program of formation, the regency year. This had them spending every week in our Puso sa Puso Education program in two poor areas in Manila.

With the New Year the candidates in the English language program began in earnest the rehearsals for this year's play, "Pinocchio." We're working on how to make his nose grow when he tells a fib. The beginning of the "Year of Mercy" overlapped the closing of the year of the "Consecrated Life," both declared by Pope Francis. Our Loyola Heights students joined a special choir for the ceremonies at the Cubao Cathedral. And we are all ready for our Lenten observances with Ash Wednesday coming rather early this year. Fr. Gregory Coulthard, SDS.

**FAITH FESTIVAL 2016**

One of the biggest projects of the Father Jordan Youth is the Faith Festival. It is a series of activities organized to deepen one's faith through integration of catechism and bible classes, lectures, praise and worship, group sharing and fun activities.

This year, a three-day Faith Festival activity was held at the Fr. Jordan Formation House, Talon, Amadeo, Cavite from October 23 to 25, 2015. Participants consisted of the FJY and FJC of Talon and Maymangga, Altar Servers, and few other guests coming from a Youth group of the Ternate Parish.
On October 23, 2015, at 3:00pm, Fr. Hermann Preussner, SDS, led the formal opening of the event with all of at least 80 participants followed by the general orientation of the program. It was then followed by the catechism classes by Br. Francisco and Br. Briaflo. The group was divided by two - youth and children, with topics ‘General Bible Information’ and ‘Important Bible Stories and Parables’, given to youth and children group, respectively. A very solemn and prayerful adoration was also attended by the participants with the rest of the community before dinner.

As they carried on with the event, one of the invited guest speakers, teacher Nica lectured about team building in the morning of the second day. Everyone was very attentive during her talk and the fun activities she prepared. Among other activities lined up for the day and were actively attended by the participants were the CateQuiz - a follow-up activity after the class which conducted on the first day; “Discovering Mission through Knowing Your Purpose in Life (through the inspiration of the Life of Fr. Francis Jordan)”, an inspirational talk by Cl. Paul Vincent Galgo, SDS; a fun and interesting lecture on Personality Development prepared by another resource speaker, Ms. Barbara Diokno; and a lecture about “Veneration of Saints” by Novice Michael dela Cerna, which gave the participants a deeper understanding on its importance as faithful Catholics. Led by Br. Francisco, his music team, and with the special participation of the two novices, Br. Mike and Br. Philipp, an amazing praise and worship activity were held inside the chapel of the formation house at 9:30 in the evening. Fun games and activities were also prepared just before the lighting of the bonfire. The entire day was really full but also productive and memorable for all the participants. A chill-out night activity by the bonfire marked the closing of the day for all.

The third and final day started with a zumba dance as a morning exercise for all participants. During breakfast, some special awards were given to the participants. The month of October is the rosary
month so one of the lined-up activities with this year’s festival is the praying of the rosary. The youth gathered in the chapel after distribution of awards for the special living rosary. It was followed by the Holy Mass presided by Fr Hubert Kranz, SDS, who were very happy for the efforts of all participants and making the event a success. The Mass served as the concluding ceremony of this year’s faith festival. Everyone was surely feeling sleepy and exhausted. Fortunately, nothing bad happened during the entire program and it all went well until everyone got back to their own houses.

It’s the third time for the FJY to hold the same activity, after two successful events held last year. The fact that each one always made time to attend is a blessing and knowing one has earned new experiences and learned new things from the activity is already a lot to be thankful for. To God be all the glory!

PUSO SA PUSO CHARITY CHRISTMAS PARTY

The Puso sa Puso Charity Christmas Party held last December 5, 2016 was a truly memorable event for the scholars of Manuel Roxas High School and the underprivileged children living under Tobias-Hemady Bridge. The organizers for this annual event spearheaded by Father Artur Chrzanowski SDS started with a meeting with Project Leader Sister Frances Mangabat SDS and event planner Teacher
The first challenge was to look for a good venue that was accessible and safe for children. We make sure that we choose different areas yearly so that we can reach out to kids from various depressed areas all over Metro Manila.

After looking at several venues, we found Manuel Roxas High School a public secondary school located at Scout Reyes Street, Barangay Paligsahan, Quezon City. It’s a good thing that when we spoke to the principal, he was very open to the idea of having the party there.

The next task was to gather 1000 children for the event. We got in touch with barangay kagawad, Mrs. Teresita C. Galapon also the chairperson for Senior Citizens and persons with disability in Barangay Roxas. We coordinated with the school’s outreach program as well that assists children who are scholars of the high school. We were lucky enough that we were able to tap people who were directly fostering 800 families who were living under the Tobias-Hemady Bridge.

What’s it like living under a bridge? This question became the driving force for us to make the Charity Christmas Party an extra special one.

It was the day of the party. The decorations donated by Tony and Rose Uy of Wellworth Balloons and Party needs were all set-up. Thanks to the help of the Society of the Divine Savior Loyola aspirants under the
supervision of Jose Alvin “Jao” Cunanan who spruced up the place and gave it a fun party feel. Thanks also to Congresswoman Nanette Daza for lending us her large tent to protect the kids from heat and rain during the event.

The show started with a parade of dancing clowns followed by a dance number from Mcdonald’s lovable purple mascot Grimace. All the kids stood up in excitement just to dance with him. Brother Stephen Lyerio of the MCSPA (Mary Missionary Community of Saint Paul the Apostle and Mary Mother of the Church) did the opening prayer while Sister Frances Mangabat SDS did the opening remarks. Mr. Byron Barunuevo and Ms. Andy Fojas were the emcees of the show.

A song and dance number of the ALS students from Payatas and Parola fired-up the stage as they show cased their dance moves. Furthermore, World-class entertainer Mr. Abraham Velasco of the Golden Show demonstrated his mastery in acrobatics and juggling which kept everyone at the edge of their seats back to back with the multi-talented illusionist and ventriloquist Mr. Wanlu. Almost all the kids screamed in suspense and excitement. It was truly a precious moment not only for the young ones but for the young at heart.

Awesome raffle prizes were also given away in between the presentations. Generous family and friends of Teacher Reena like Mr. Jaime and Therese Faustino, Ms. Karen P. Rodas of Martinishopwerks, Mrs. Martha Barretto of Out of Asia, The Bead Shop, Ms. Belinda Dy of Animal land, Mrs. Annabelle Mar of M.Y. San and Monde, Ms. Arlene Padua of Post 10 Worldwide Inc. and Mrs. Norkie Liao Go of Mcdonald’s gave such wonderful prizes like sacks of rice, Noche Buena packs, coil holders, rosaries, backpacks, stuffed toys, Christmas pillows, picnic kits, Christmas trees ornaments, etc.
The show went on with several song numbers from an 8 year old child wonder from the Center for Pop Music. Additionally, Ronald Mcdonald performed next in a storytelling stint. Everyone loved the hip hop dance number of Letran Squires Uknighted headed by Coach Pao Nuguid and later on joined by the SDS Loyola aspirants on center stage to show-off dancing skills.

The party won’t be complete without a magic and illusion show by Master Allan Soriano. Lastly, the number that everyone was waiting for the Zumba party from the SDS Loyola aspirants lead by Zin Nica Gregorio.

It was a truly a perfect day at Manuel Roxas High School last December 5, 2015. The children were entertained, the volunteers did a good job caring for the kids, the food was delightful, and each child went home smiling carrying big bags of food and gifts. Mission accomplished!

MEDICAL MISSION IN TALON

The joy of Christmas lies primarily in the art of giving and having grandeur decorations placed in the house is an external factor of celebrating Christmas. Nevertheless, it lies through extending our generosity and blessings to our less fortunate and unprivileged brothers and sisters. It is the joy brought about by the Child Jesus to each and every one of us.

Last December 12, 2015, this joy was manifested by the PACUCOA through a free medical assistance program held in the Salvatorian community. The program started at exactly 9:00 o’clock in the morning. It was opened by a prayer and followed by some energizers facilitated by our Brothers of the said community. Of course, the guest as well gave their heartwarming presentation. They had a free dental checkup and treatment, groceries for Christmas, and a free consultation with an Optomologist. Those who needed eyeglasses were given them for free. This activity was possible through the hard work of many people namely: Dra. Maria Jona Godoy of St. Anne College for the dental assistance, Centro Escolar
University for an optical assistance and, Dr. Castigador who was the organizer of such event. Seeing the smile of our brothers and sisters in Talon for having such a privilege overwhelmed the heart of those who participated in the event.

This PACUCOA is a private organization run by medical practitioners currently situated in Manila. They are doing it annually for only one reason to give back the blessings bestowed upon them by the Lord. It is clear that the endeavor of the said organization is for nothing else, but to help the less fortunate. Dr. Adlai Castigador said of PACUCOA, “Dahil po nakatanggap ng maraming biyaya ang PACUCOA sa Panginoon. Ito po ang tanging daan para maipamahagi namin ang mga biyayang ito at makatulong sa iba” (Because we have received so much from the Lord. This is our way to give it back to Him, to help others). This is the real essence of Christmas. It is by giving oneself and becoming a blessing to others. Sending people to share joy and happiness to others by helping and giving as means of becoming a blessing. The program ended with prayer led by Fr. Adam Janus, SDS.

THE 3RD CHAPTER OF THE EAMV

The 3rd Chapter of our East Asian Mission Vicariate took place on December, 14-17, 2015 in New Manila. A chapter is always the most important event of a unit, which was also underlined by the presence of our Superior General, Fr. Milton Zonta, SDS, and the mission secretary, Fr. Agustin Van Baelen, SDS. One of the characteristics of this chapter was the fact that we had more delegates from Asia than ever before. Until now almost automatically every finally professed member became a member of the chapter, because we were always very few. This time we had a real choice who should be discussing and voting on our behalf, which is a sign of growth of our young unit.

We had to update and decide about the text of very important documents, which are:

- The statutes of our EAMV
- The formation program of our EAMV
- The Child Protection Policy of our EAMV.

As of now, all these documents are in Rome for approval.

A number of smaller matters had to be discussed regarding our formation system and our future in East Asia, which most probably will be felt in our daily lives little by little.

May all our talks and decisions of this recent chapter turn into blessing for a prosperous future of our unit and help us for an apostolic life according to the holy will of our Savior and the spirit of our founder, Fr. Francis Jordan.

INSTITUTION OF NEW ACOLYTES AND LECTORS

What makes this day so special is that, the installations of the ministries of Lectors and Acolytes are given to some temporary professed members of the society. The installations on both ministries started at 5:30 pm, on Dec. 16, 2015, incorporated in the Eucharistic Celebration. The Eucharistic Celebration was presided by Fr. Agustin Van Baelen, SDS, the General Mission Secretary, and concelebrated by some Salvatorian priests, (Fr. Hubert Kranz, SDS, Fr. Zhou Fei, SDS, Fr. Gregory Coulthard, SDS, Fr. Wilson Catabay, SDS, Fr. Vinoy Joseph, SDS, Fr. Adam Janus, SDS and Fr. Milton Zonta, SDS, the General Superior), those participants of the East Asian Mission Vicariate Chapter, and Fr. Simon Jia Zhilu was also present. The said celebration was also assisted by Rev. Dominic Dung, SDS, held in New Manila Community, Quezon City.
During the homily of the main celebrant; Fr. Agustin, SDS was reminding the brothers that “every ministry is a commitment”. The society is called to present the Savior of the world to the people of God. He, then, told the gathered community especially to those who are going to be installed to be committed to their ministry. For it is also in these ministries that the brothers be able to exercise the mission of the society to present Christ to the people of God. As he was giving emphasis to each ministry; for instance, in the ministry of Lectors, he told them that reading the Word of God is an honor and a blessing, that is why, every Lector has to read the Word of God with faithfulness and commitment, so that the Word of Salvation will be communicated properly to the hearers, and thus, Christ will be presented to the faithful people. For the ministry of Acolytes, he expressed his thoughts by simply saying that, those who are going to be in this ministry is also an honor and a blessing, for they are preparing the necessary things for the celebration of the Eucharist in order again to present Christ to the gathered community. Hence, commitment and faithfulness are the essential elements for these ministries, as Christ is always committed and faithful to the mission given by His Father, and therefore, we are called likewise. 

And at the end of his homily, he shared also his joys and happiness with the brothers, for the General Superior is present for their installations on both ministries.

After the homily, the Rite of Institution of Lectors and Acolytes was carried out. It was started by “Calling the Names of the Candidates” for each ministry by the Rector of the House Fr. Vinoy Joseph, SDS. The installation of the Lectors was done first, and followed by the Acolytes’. The brothers who were installed for the ministry of Lectors are: Cl. Paul Duong, Cl. Paul Tin, Cl. Dominic Linh, Cl. Dominic Khanh, Cl. Joseph Cuu, Cl. Andrew Thai, Cl. Adrew Ren, Cl. Jenno Dolor, Cl. James Jimenes, and Cl. Joselito Fernandez. For the ministry of Acolytes: Cl. Florencio Ompad Jr, Cl. Joseph Chinh, and Cl. Paul Ngoc. However, there are also brothers who received both ministries, namely: Cl. Peter Thien, Cl. Peter Hoang, and Cl. Paul Vincent Galgo. Afterwards, the Mass continued as usual.

Before the final blessings, the Superior General left a message to the newly installed ministers to continue serving the Lord especially through the ministries being installed and reminded them about the
“Year of Mercy”, and thus in lieu with this, he gave a key chain from Rome as a gift to each member of the community.

After that significant celebration, a simple but meaningful and remarkable dinner was set on the table prepared by the assigned cooks.

The evening did not end up by that meaningful dinner, for another special event of this month was set on that day and that was the Community’s Christmas Party. An early Christmas Party of the community was decided by the rector of the house in order to grab the opportunity of the presence of the participants of the Chapter. The party was composed of contests namely; the Cultural Dance and Christmas Carol Remix Contests, and with various individual and group dynamics. In fact, the brothers had invited Fr. Milton, SDS, Fr. Agustin, SDS and Fr. Adam, SDS to be the judges of the said contests. The program lasted for two hours. The program had finished by singing some Christmas songs and finally, by the blessings of the General Superior but he thanked first the community for that wonderful experience of being together as one family. The community had thanked too the participants of the Chapter especially the General Superior for their presence and active participation in the party. Consequently, how wonderful it is when the community celebrates together with joys and happiness while the aura of unity is deeply felt. Surely, Jesus is present in their midst.
CHRISTMAS CELEBRATIONS

Have you ever heard any country in the world that celebrates Christmas for four months? You may laugh at it, but there is one, the Philippines. The month of September marked the much awaited holiday everyone is waiting. It marked the long celebration of Christmas. You would see houses with Christmas lights, children singing Christmas carols on the streets. Christmas is different here in this country. Although it is considered to be a third world country, nevertheless it has its pride to celebrate and smile to the poverty behind everything. It doesn’t deter the spirit of joy that is brought upon by the presence of the adorable Jesus in the manger.

CHRISTMAS PARTY FJC-TALON

It has been my third year being one of the facilitators of the FJC Talon. We have celebrated two Christmas parties together. However, this year I would say it was quite a different one. It’s because we have celebrated Christmas party together with the FJC Maymangga and the Altar servers. It never happened before. This I think becomes a step towards unity in the different areas of leadership of the said groups.

Last 20th of December was the fulfillment of the much awaited event of the Father Jordan Children. It was the day of our Christmas party with all the hard-work of the different people involved.
The party was well planned for the FJC members. The program was opened by a prayer to remind ourselves that Christmas is the manifestation of the love of God to us. He sent His only Son for us as the experience of his love.

On the one hand, the party wouldn’t be lively if there were no games being initiated. So the facilitators conducted different kind of games that all the children participated. There were presentations as well coming from the different groups to show case their hidden talents. On the other hand, Christmas is all about giving. Since we have received so much from the Lord we were also called to share what we received in various ways. We thanked God for sending instruments to us for sharing their generosity, our beloved benefactors, who tirelessly and unceasingly extending their blessings. We also thanked Fr. Adam and Fr. Hermann for their continuous support for the children. To the facilitators of the different groups who worked hard preparing such event. It served as a realization for us that sacrificing and giving ourselves to become a blessing for others were the very essence of Christmas.

We concluded the program by distributing gifts to the participants. None of them went home with nothing. I could only see the beautiful smile of the children that also spoke to me about my childhood. I could feel their joy deep inside of them. I may never fully fathom what is that enigmatic joy all about. Nevertheless, I could only think of one. It was the reality of joy brought about by our Lord to each and everyone of us. Not a superficial joy, but rather a genuine joy.

OUTREACH PROGRAM

““The hungry nations of the whole world cry out to the peoples blessed with abundance. And the Church, cuts to the quick by this cry, asks each and every man to hear his brother’s plea and answer it lovingly.” Paul VI “Populorum Progressio”

God has entrusted to us a rich earth that could offer all men sufficient food and living space. Yet there are whole regions, countries, and continents in which many people have scarcely the bare
necessities for living. There are complex historical causes for this division in the world, but it is not irreformable. The rich countries have the moral obligation to help the underdeveloped nations out of poverty through developmental aid and the establishment of just economic and commercial conditions. Love for the poor must be in every age the distinguishing mark of Christians. The poor deserve not just few alms; they have a claim to justice. For Christians there is a special obligation to share their goods and the example in love for the poor is Christ.

The Salvatorian Fathers and Brothers have received some blessings from the merciful Father and yet they decided to share these blessings to those who are in need. On December 22, 2015, Fr. Adam Janus SDS, the Superior of the East Asian Mission Vicariate, asked some of the brothers to go for shopping and buy things that would be needed during the event. Few brothers together with some members of Father Jordan Youth went to the willage and informed people about planned activities.

In the Village of Minantok East, located in Amadeo parish, there is one, particular place along the river, where some families settled down there. Fifteen houses with twenty-two families live there. Most of them do not have stable income due to the lack of work. They have very hard time to support their children and provide basic education for them. Children’s education is very important because it is the first, basic thing they need in order to look for better future.

On December 27, 2015 at nine o’clock in the morning, the Salvatorian Fathers from Talon, together with Fr. Agustín Van Baelen from Rome, some brothers and members of Father Jordan Youth started preparing themselves for the trip, loading a car with Christmas gifts that would be distributing
later on among the families. By the time they reached the destination, they had to leave a car quite far from the village due to the very poor road condition. So they were helping each other, finding the best way to carry out the gifts they prepared. The distance was a little bit far but they did not mind the exhaustion because their goal was to help those in need and make them experience there are people who really care for them. When the group arrived to the village, they started visiting families one by one, singing Christmas songs, exchanging greetings and giving them Christmas gifts. The people were so happy to experience the presence of Christ among them. The joy and happiness of the people there, the smile on their faces was the best reward for the organizers of the event. Touching the hearts of others even in a simple way makes the heart of Jesus rejoicing since he told us: “...whatever you did for one of the least of these brothers and sisters of mine, you did for me”. (Mt. 25, 40).

CELEBRATING THE BIRTH OF THE SAVIOR

One choir. Six different ministries. Three nationalities. 50 people. This was the group of individuals who decided to come together in order to make our Christmas celebration more vibrant and meaningful for those attending the Midnight Mass at Fr. Francis Jordan Formation house, here in Talon, Amadeo, Cavite. The choir met for practices every Saturday and Sunday for two consecutive months, pulling off a 90 minute musical journey, reflecting on the birth of Jesus Christ, the Savior, with songs, hymns, narrations and prayers said with those who attended the concert.
With the theme ‘Emmanuel: Celebrating the Birth of the Savior,’ the group belted out medleys, solos and duets, accompanied only by piano throughout the concert. Attendees were encouraged to participate as much as possible in the songs and prayers. The concert began at 6.30pm and ended slightly before 8.00pm for the beginning of the Eucharist. The choir also agreed to animate the Eucharistic Celebration by serving as its choir.

The different ministries involved were the brothers from the formation house, Father Jordan Youth (FJY) Talon and Maymanga, Father Jordan Children (FJC), the Joyful Choir of Barangay Talon and the El Shaddai Catholic Charismatic Renewal Prayer Group of San Roque Chapel, Barangay Talon. Joining in the celebration as attendees were the lay faithful from Barangays Talon and Maymanga.

CHRISTMAS PARTY FJY-TALON

“He did not use a silver box or paper green and red; God laid His christmas gift to me, Within a manger bed.” --- PRENTICE

On the 30th of December 2015 at four o’clock in the afternoon, the Father Jordan Youth had a first ceremony which was the celebration of the Holy Eucharist; together with Fr. Hermann Preussner, SDS as the main celebrant. After the Holy Mass they immediately transferred to “Bahay kubo” for the next program. Some were preparing food for dinner, some were arranging things which were needed and some were singing because they rented a videoke. All had tasks to do and helped each other and then when the evening came, at seven o’clock, the simple but beautiful dinner together with Fr. Hermann Preussner, SDS, began. A lot of food, softdrinks, and dessert were being served. Some brothers also went there to join the essence of their christmas party. After dinner they had a game which called “Binggo” and everybody was obligated to participate because there were prizes to be received by the winner. While having the game, some were also singing and then just for a few minutes Fr. Hubert Kranz, SDS and Fr. Adam Janus, SDS came and everybody welcomed them. Fr. Adam Janus, SDS was giving a message for everybody and expressing himself by saying thanks to them and after that they had some food to eat. The Fathers did not
take a long time in the party for the reason that it was already late in the evening and the weather was a little bit cold and many things to be done. Then, the party was still going on, some were taking pictures (selfie), and some were sleepy already. The most beautiful program that they had been waiting for was the exchancing of gifts. They were so excited to see the gifts that they would be chosen and hurriedly opened it. Everybody was happy even in a simple thing which would make them feel that they are loved and not alone. And after that the party was done and they gone home with a merry Christmas.

Simple celebration is enough for everybody because God who is simple, wants everyone to be like Him simple and if a person is simple, God will never leave him. Simple things can make everyone happy in a simple way.

CELEBRATION OF VIETNAMESE “TET”

Lunar New Year Festival - the occasion that marks the beginning of a new year in the lunar calendar, is also called "Tet" or "Tet Nguyen Dan" in Vietnamese. This is the most important festival in Vietnam which usually takes place annually around late January or early February. Tet is a time of meeting, especially for the gathering of family members. For this reason, wherever they may be, the Vietnamese people always feel an immense nostalgia, wishing to come back to their homeland for a family reunion and a taste of the particular flavors of the Vietnamese festivities. However, there are also many Vietnamese who, with different reasons, have to celebrate this special Festival in many other foreign countries around the world.
On February 8, 2016 (January 1, 2016 in Lunar Calendar), the Salvarotian fathers and brothers in Father’s Jordan Formation House together with the novices joyfully celebrated this Vietnamese Tet. With a great concern and support from the superior, formators, the Vietnamese brothers prepared some Vietnamese traditional foods especially Pho (noodle soup) and Chung Cake. Chung Cake is a unique dish on Tet holiday in Vietnam which made from glutinous rice, mung beans, pork, and other ingredients. It is wrapped in green leaves. Before starting the celebration, Fr. Adam Janus on behalf of the Salvatorian Family gave thanks and best wishes to the Vietnamese Salvarotian brothers as well as their families in Vietnam. After that, everybody in the community happily enjoyed the celebration. It was a great time not only for the Vietnamese brothers but also the fathers and brothers form different countries. Because as a part of the Salvarotian International Community, Vietnamese Tet is a great opportunity for all the members of the Society to know and understand the Vietnamese culture. The celebration then ended with the hope that Vietnamese Tet will be repeatedly celebrated in the years to come.

ENGLISH LANGUAGE DEVELOPMENT SCHOOL DOES IT AGAIN!

This time with the presentation of Pinocchio. The English Language Development School for new aspirants of the Society of the Divine Savior put up a play on the 18th of February, 2016.

Organized by Rev. Fr. Artur Charnowszki, SDS and the teachers of the School, the students entertained guests from Barangay Talon and Maymanga after the Thursday Eucharistic Celebration with the Barangay folk.

After four years of putting on plays for the purpose of enhancing the confidence and speaking abilities of students, the productions are getting better by the year. Actors for the play come from a diverse background and are mostly new English speakers, either studying for one year to two years from our Fr. Otto Hopfenmuller Formation House in Loyola Heights, Quezon City. Practices have been almost
on a daily basis by the performers and their coaches for two straight months before the actual day.

The Society is grateful for this innovative way in which Fr. Artur has created for students to express and practice their English language skills through acting, dance and song. Surely, the English Language Development School has set up a tradition that would be dearly missed if not continued.

Indeed, the Society, as well as our collaborators and those to whom we minister await for the 2017 production!
